This camp is a consolidated version of our old Excursion and Outdoor Adventure camps, so this one does it all! In this fun-filled on-the-go adventure camp, we visit local natural areas to hike, canoe, play games, learn the basics of campfire cooking and identify plant and animal life, among other things. This camp features an offsite trip each day to a local recreation site or attraction. Participants are transported to and from local sites by van. All admission fees are included in camp price. For activity information, check the Camps page on our website, freedom-center.com. Bring lunch, snacks, a water bottle and sunscreen and swim suit each day. Please wear close-toed shoes.
